Dear Parents, Carers,

Welcome back! The summer break went very quickly and it was lovely to see the children this morning, ready to start the new academic year. Children have been settling into their new classes and enjoying their return.

A few updates

Staffing

I have news to pass on about Ms Kirkham, after 10 years of working at Intack Primary, I'm saddened to say that Ms Kirkham is moving on to new adventures. We would like to thank her for her time with us and wish her luck in her next chapter. Ms. Kirkham would like to thank all the pupils, staff and parents she has met along the way, always 'Proud to belong'.

We have had a wedding over the summer with Miss. Scott and Miss Bretherton getting married and now known as Mrs. Scott, congratulations!

General

Sadly, we had intruders onsite during the summer break. Outdoor play equipment was thrown around everywhere, after breaking into the outdoor storage. Sand was thrown at the windows, doors and across play areas. The Forest School area was also vandalised with objects taken and dumped in the pond, thrown around in the polytunnel and holes created in the side of the tunnel. The vandalism was carried out by children. As a school we have been upset that children would do this to a school maybe they attended or do attend. All the work by staff and children in the Forest School area has been disrespected and the time and effort by staff, in preparing the outdoor areas for the return after summer, undone. We have spoken to the children today about communities working together, showing respect and care. If anyone has any details about the incident please let school know.

Toast was to be ordered by Monday but not many have logged on to order so therefore the cut off for toast orders for this term is now 4pm on Friday. Any orders after this time will not be counted. The updated toast orders, taken until Friday will begin next Monday.

This week road safety sessions are being carried out with visitors to school, for years 1, 2 3 and 4. Next week the Life Bus is on site. A Parents RSE session is planned for next week, Thursday and details will be sent out.

If you have any concerns regarding the start to the year and your child settling, please see your child's class teacher or pop into the Office.

We aim to have a brilliant start to a brilliant year and as always value your support in doing the best we can for our children.

Mrs. Cairney
Headteacher
