Attendance
Everyday counts!

- The overall figure for the year so far is 94.57%
- Attendance throughout school last week was excellent, with most classes achieving our school target of 96%

- Days absent from school mean your child is missing valuable learning time which will impact upon their attainment and achievement.
- Please do not keep children off school for minor ailments. Please speak to the school office for further advice or if you have any questions.
- Try to keep medical and dental appointments outside of school hours wherever possible.
- Always contact the school office via phone, text or email if your child is to be absent by 9:00 a.m. on the day of absence.

Please see our school website for up-to-date information about school.
